Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants have received a Filing Receipt for the above-identified patent application. It is noted that the indicated Filing Date of September 23, 2003, is incorrect. A copy of the first page of the Filing Receipt is annexed as Exhibit A.

There is a discrepancy between the filing date accorded by the Office (September 23, 2003) and the true date of deposit (September 22). For the following reasons, Applicants respectfully petition the Commissioner to accord this application a filing date of September 22, 2003.

This application was filed on September 22, 2003, utilizing the Express Mail procedure specified in 37 C.F.R. § 1.10. As required by 37 C.F.R. § 1.10(c)(3), and as proof this application was filed on September 22, 2003, Applicants annex as Exhibit B a copy of the Express Mail label (no. EL 898312568 US) for this filing bearing a USPS cancellation stamp dated September 22, 2003.

SSL-DOC51 1427027v1

Petition Requesting Correction Of Filing Date
(37 C.F.R. § 1.10(C) and 37 C.F.R. § 1.10(D))

It is noted that the "Date in" section of this label was erroneously filled in by the Postal Service clerk as "Mo 9 Day 23 Year 03", even though the application papers were deposited on September 22, 2003. However, the Postal Service cancellation stamp applied to the Express Mail label bears the correct date, September 22, 2003. This cancellation stamp constitutes an official USPS notation, as specified in 37 C.F.R. 1.10(c).

As required by 37 C.F.R. § 1.10(d) (3), and as proof this application was filed on September 22, 2003, Applicants have annexed as Exhibit C evidence directly obtained from the USPS that the label was erroneously filled out. As can be seen from the attached Track and Confirm document obtained from the USPS website, the application bearing the express mail number EL 898312568 US was accepted at the U.S. Post Office in New York, NY 10199 at 11:12PM on September 22, 2003.

As required by 37 C.F.R. § 1.10(c)(2) and 37 C.F.R. § 1.10(d)(2), the number of the Express Mail label was placed on the Utility Patent Application Transmittal form (PTO/SB/05), and the Certificate of Mailing by "Express Mail", both itemizing all the components papers of this application and submitted with the application. Copies of these papers are annexed as Exhibits D and E, respectively, as further proof that this application was filed on September 22, 2003, not September 23.

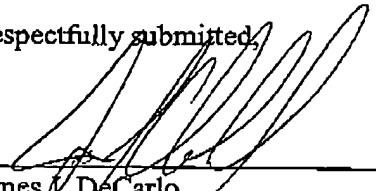

Correction of the Patent and Trademark Office's records and issuance of a corrected filing date are respectfully requested.

No fees are believed to be owed in connection with this Petition. Nevertheless, the Commissioner is hereby authorized to charge any fees now or hereafter due to Deposit Account No. 19-4709.
